

## CHAIN of FEARS - MasqueParade 2022

With your participation, the Chain of Fears and Wish Flags ceremony will be a very moving and celebratory part of this year's *MasqueParade*. From community contributions, we will create a paper chain of "Fears" that folks of all ages in the community will share on a piece of craft paper. We will collect those paper links and then join them together in one very long Chain that A-Muse Troupe will parade through the crowd before scrunching the Chain into a big ball and tossing it on to the Bonfire!
